I have been thinking of General Jackson
how we could be made that it would relieve you
of a portion of your responsibilities by making a
paymaster as a part of your division. I do not
know what your views may be on the subject
and of course if you do not concur with me I
shall drop the subject. It however you are of
the same opinion, that an officer who would
make the estimates for your division, distribute
the funds to the different Regiments & Regimental
Quarters Masters &c. I am frank to say that
I would be very glad to exchange my present
position and go to Washington with you.
I have been here for six months, I have had
all the work of the Army of the Potomac in the
Pay Department on my hands, and have never
been away from my post for a single hour
except on duty. If you want a Paymaster
for your division and ask for one, to which
I think you fairly entitled, and you think I
would suit you, for the above reasons it
would be most agreeable to me to be left

Let your dear son and mother
have the same as before.

Please to let me hear from you at your
earliest convenience, also let me know
when you will require the hundred thousand
additions and I will bring it up to you.

Yours very truly

Gov. Will.

My Dear Sir.

Your kind letter

of the 30th of April was only received the
other day. As you predicted things have
taken place. All of our friends have proved
themselves in my opinion worthy of the high-
est consideration of the State. Yet they have all
been promoted downwards. I have acted
as Q. M. since the commencement of the War.
at the earnest solicitation of both Gen. Hooker
& Col. Saxton without money & left
to scuffle along as best I could. I have discharged
my duties faithfully & honestly & believe I am
satisfied that my superior officers will testify
to the fact & yet without one word of notice
or one word of complaint I have been super-
seded. I was one of the first in the field at
your suggestion & like you I am glad of
the participation I had in the affair. Your
councils done it all. or we would have had nothing

Dear Genl I do not complain for myself
but I do complain for the brave men who
have left their homes to do battle for our country.
I do not want the place, I only held it as
a matter of public duty, but the principle upon
which it has been done is what I complain of - I
have a right to expect better treatment.
I could not bear the idea of treating a
faithful soldier in the manner in which
you served & if you had not missed
the gubernatorial term that the fate might
be given for it could never have been
done - I have incurred great & heavy
responsibilities for the State & for which I
am personally bound in my instance &
yet no acknowledgment for my services
but an abrupt dismissal - it is too true
if you wish my services in any capacity
write to me at Steubenville, "Over Hedges"
or anything else I am your follower - I
know you will appreciate me if I deserve any
thing - The opportunity of my service is a
great relief to me in a pressing point of
view & one which will thank you at your disposal.

you say you are sorry we did not
miss our views, ... Maryland. You have
been in correspondence with Gen. I want to
tell Gen. S. if he would send his
views he would take the responsibility
& help to build back the republican party. Gen.
S. who since it at one time replied that
it would not do - He had changed his
views & consequently Gen. Harrison thought he
had better remain in 2d. Mr. Harrison was
anxious to have the plan carried out. I should
like to hear from you if it is not too great a task
upon you - I am very sorry to hear that your
health has become so much impaired, but it
is not to be wondered at, when the fact is
in collection that you came into the Con-
stitution in public health, & then it wonder-
ful labors you performed in that
body. It is a miracle that your life is
spared - God grant that you may long
live to enjoy the blessings of that liberty for
which you have so nobly fought.

Yours devoted friend
John A. Harrison

me

I take the liberty of enclosing
directly to you, letters from Genl^s Breckinridge & Vaughn
& asking your consideration of them.

On July 17th April 1861, before the State Convention had passed
the Ordinance of Secession, I started as a Brig. Genl^t of V. Militia,
with most of the Vols. of my Brigade as could be hastily brought
together the Harper's Ferry, where I remained in service in that
Capacity, until Lt. Genl. (then Col^l) Jackson was assigned to command.

I then accepted the appointment of Lt. Col^l of the 5th V. Vols - after
the 1st battle of Manassas, I was promoted to the Colonelscy of that
Regt & continued to command it until the latter part of April 1862.

After leaving my Regt I went upon Genl Ed Johnson's staff, where
I remained until after the battle of McDowell, when he was
wounded. Since that time I have rendered such service as
one out of position could.

There has been no period of the War in which I am liable
to Military duty nor any when I did not anxiously desire to perform it.

Applications have been made to the War Dept in my behalf
but hitherto I have made no solicitation.

I respectfully ask now, when I think it the duty of every
Citizen of Virginia to be in the Field, that you will consider the
recommendations on file in your Office, & the enclosed letters;

to the command of King's Guard, U. S. A., Col. H. H. Harmon
to be assigned to duty as commander of the
reserves of the Valley of Virginia.

Col Harmon was on the 20th of May last, by an
order from Major General Breckenridge assigned
to the command of the Valley reserves, and
as such, has served with my Division for the
last few weeks. The manner in which he
managed his Brigade while with me pro-
ves him eminently qualified to fill the posi-

I respectfully enclose for your consid-

Col. 1st Horse, and a brigadier general of militia, and the annexed
report of the several officers provided for, and
of the 1st inst. in and for the same. I am, Sir,
very respectfully, Dear Sir, your obedient servant,
Richd. B. Richardson &c.

I am not sufficiently conversant with
 the military capacity to speak of it as a
 man, but even a good deal of service is a man of your
 and mine, and from what Genl. Butler says of him, we may
 doubtless trace in itself, an able and efficient officer. The
 position of the second force of the State is the most
 important if you could give him such a position as that
 indicated.

Richmond, March 10th /64

The President of the
Confederate States;

Sir:

Having been informed
that Col. Wm. H. Harman of Har-
ter desires an appointment on some
of the Military Courts of the Confederate
States, I take great pleasure in re-
commending him for the place he
desires - I have known him long and
know him to be a gentleman of high
attainments in his profession, energetic
& strict in the discharge of all duties -
In addition to his professional attainments
he has had considerable experience
in the army, and in my judgment
is in all respects well qualified for
the position he desires -

Most respectfully
Robt. L. Montague

Richmond, Mar. 9, 1864.

To the President of the Confederate States,

Sir,

I have already recommended my friend Lawrence B. Taylor Esq of Alexandria for a place upon one of the military Courts to be constituted under law. Without meaning to qualify my recommendation of that gentleman, or to indicate a diminution of my interest in his behalf, I take pleasure in calling your attention to the name of Wm H. Harman Esq of Staunton, late Colonel of the 5th Regiment of Virg.

Col Harman is a lawyer in high standing at the Staunton Bar, is in the prime of life, and possesses high qualifications for a position on a Military Court. He has had an extensive practice, and for years has been the attorney for the Commonwealth of his County. His service in the Army was meritorious, and his civil & legal capacity combined with military experience would enable him efficiently to discharge the duties of a Judge of a Court.

Very respectfully

Yours

J. N. Tucker

I take pleasure in recommending Col. W. H. Harman, of Virginia, for an appointment on one of the Military Courts of the Confederate Army. I have long known Col. Harman as a lawyer of high standing & position in the profession, and feel no doubt that his legal attainments, combined with the experience he has had in military service, qualify him admirably for the place referred to.

Richmond March 9. 1864

His Excellency Jefferson Davis

Sir:

I most cordially unite in the recommendation of William H. Harman of the Town of Staunton for appointment as a member of one of the Military Courts authorized by Congress.

He was one of the first to volunteer at the beginning of the war and for nearly a year acted as Colonel of the 5th Regiment of Va Infantry and was equally distinguished for gallantry and ability - and I am informed that he has had much experience in trials before Military Courts.

For many years Col. Harman acted with most eminent capacity and learning as Attorney for the Commonwealth for the County of Augusta and during his long service in that office no pleading, indictment or presentment prepared by him has been quashed or successfully demurred to - on account of his experience as a lawyer and an officer I believe Col. Harman is peculiarly qualified for the appointment I ask for him.

I understand the Court for the District of Columbia in Northern Virginia is about to be organized.

General

Knowing that you fully appreciate & have been most anxious to protect from the ravages of the enemy the important agricultural & mineral interests of this District, I venture unofficially to suggest a mode by which much may be done for our protection without calling upon you to spare troops for the purpose of merely repelling raids - and I believe it is from that form of attack we have most to apprehend about the planting season of the coming spring.

The recent Army bill organizing "Minute Men" from the male population between 17 & 18 and 45 & 50 years of age will bring into that branch of service in the Counties West of the Blue Ridge that are under our control from Roanoke to the Potomac, from 100 to 500 men as good as any we have in service. Their efficiency will depend upon organization. Within the limits stated there ought to be at least 5 Regts organized. One with its Hd. Qrs at New Market, one at Harrisonburg, one at Staunton, one at Lexington and one at Buchanan or Salem. These points are along the center of the Valley & connected by means of roads & communication with each other, and each with the Country lying west of it. The 1st Regt. I would organize from Page, Grundy, Hardy & such portions of Warren, Clarke, Jefferson, Frederick, Berkeley & Hampshire as we can reach.

[illegible]

The Regiment, being thus formed I would go on step further and Brigade the whole force under the command of one officer whose qualifications should be undoubted and his residence near H.D. Lums Central where he could be promptly communicated with by the Government, yourself & the military command of the District. Stanton in Augusta County it seems to me formed be the proper location of this officer - I presume the President would have the understood power to Commission a Brigadier & place him to suit around the Capital & in charge of the force must under the law established. My opinion is that for H. H. Harman of Stanton is pre eminently qualified for this command, and I am satisfied if it were given to him, with the authority to hasten the Company & Regimental organizations as proposed, he would by the 15th of April have his force armed, organized and equipped for the field ready any emergency. He has peculiar military qualities and

General of the 1st Division. And the last year for the
the 1st Division & himself for following in number of battles
and for his military qualifications in a higher degree than
any one else I know in the District.

I have submitted these names to your consideration not as an
officer, but as a "Citizen" of the Valley, believing I think as
full an acquaintance with all the resources of the Valley,
as any one now in it. If you deem the plan of organization
proposed reasonable, I am sure of its great value, and
your suggestion of it to the Sec. of War would doubtless ensure
the necessary orders for its immediate accomplishment.

This force thus organized, with one Brigade of Mounted
troops on the immediate border would afford adequate
protection against such raids as we have been
annoyed with

I have heard that Col. William H. Harman is desirous to reenter the Confederate Service, and wish to express the hope that he may be enabled to do so in an appropriate position.

I have for several years had the pleasure of an acquaintance with Col. Harman, and have formed a high opinion of him as a gentleman of character and capacity. Mr Gen W. Hammon
Secretary War

Sir:

Having, since
last, that the Hon. Sec. of War, William
H. Hammon intend to apply for his ap-
pointment to the office of Brigadier General
in the "Confederate" service, the undersigned,
composed of those who have been in service
with Col. Hammon as well as of those who are
familiar with his reputation as a military
man, beg leave most cordially to recom-
mend him to the favorable consideration of the
Secretary of War — Col. Hammon's active
service began during the Mexican War
and as soon as the war was for liberty and
the independence of the South was raised
in April 1861, Colonel Hammon buckled on his sword and
during the campaigns of the "Stonewall
Brigade" has been service in the highest
degree calculated to fit him for command.
His conduct at the battle of Kernstown
at the head of the gallant 5th Regiment,
while covering the withdrawal of our exhausted
forces from the scenes of that glorious contest,
proved him to be brave, self-reliant and omniscient

by the present circumstances — I must submit the
of the War Department to the Army
the valuable services of Col. Norman —

Very Respectfully

I respectfully

recommend the appointment of Col William H. Sherman of this place as Brigadier General. He is a gentleman of upright character and, from my acquaintance with him as well as from the report of those who have had opportunities for observing his conduct in the army, I am satisfied that he would be found an able, energetic and efficient officer. This valley has furnished a large number of its best troops to the service and is therefore entitled to be well considered in the appointment of general officers. I sincerely hope that it may be deemed proper to make this appointment of Col Sherman.

Dear Sir,

1862. Aug 20. Richmond.

The friends of Col Wm H. Harmon have brought his name before the Department as I am informed, as a suitable person for the position of a Brigadier General - to which he was in previous years of a similar character to the present, I do not consider myself qualified to give any personal opinion upon a question of military qualification. I can only bear witness to the opinions of better judges. I hear from a number of respectable sources, that Col Harmon is a most gallant & energetic & capable officer. You are familiar with his service, in the distinguished division to which he has been attached. It seems to me that all the brave & competent officers of Jackson's Corps have won their spurs & deserve advancement.

Very respectfully

Sir:

I respectfully call
to your attention the numerous and highly
honorable Testimonials, military and civil, ^(in favor) in favor
of the appointment of Colonel William H.
Harrison to the office of Brigadier General.
I file herewith a request to the same effect from
some of the warm friends of Col Harrison
in the General Assembly of Virginia.

Every Officer, with the exception of one I
believe, of the old "Stone wall" Brigade has recom-
mended the appointment of Col. Harrison; and I
understand Genl. A. P. Hill has recently made
his recommendation to the same effect.

It would be deemed a grateful tribute, on the
part of the Government, to the old County of Augusta
and the great Valley of Virginia, to make this appoint-
ment - Colonel Harrison (then General Harrison) was al-
most the first man in the Valley and among the
first in the State, to take up his arms and rush
to Buckhorn Ferry when Virginia seceded - and night nobly
I trust the Sons of Augusta have seconded every movement of
the Govt in carrying on the war.

Understanding

in a short time, I take the
liberty of bearing my most
cordial testimony to the fitness
& character of Capt. W. H. Haman,
late Capt. of the 5th
Regt. Vt. Inf. for such promotion.
Capt. Haman was my friend &
Militia before the war commenced
and on the 17th of April 1861 he
left this place in command
of the troops who were to take the
position against the rebels
here. After the capture of this
place he did, as much as I be-
lieve more than any other
man to organize the new
troops, arriving there for

Several days, and rendered the
most important services to
the State in that early period
of the war. In the recognition
that took place, he was
made Lieut. Col. of the '5th Regt.
Va. Inf. - In that capacity he bore
a distinguished part in the
battle of Haines' farm on the 28th
of June 1861. And at Manassas,
no man behaved with greater
gallantry, when the scales seemed
equally poised between the con-
tending armies. His Regt. was
a part of the celebrated "Stone
Wall" Brigade, that will have
the honor, when impartial his-
tory records the events of that great
day, of having turned the tide of
battle in our favor - Some time
after that battle when Lee sent
Harper to reinforce, but Harman
succeeded him in the command
of the Regt. And this was an
important position. Now need
I say, as all testify who were
there, on the hard fought field
of the manassas.

Col. H. was a Sicily. Though
the Mexican War - in all the
Military officers, he can be said
by has I been distinguished for
his ability as an officer -
and his I deem to be enough
as a man. I give you his
Appointment as the Commandant
of a Brigade will prove that
he is as capable to fill that
high place with usefulness
and distinction as he has
done all the positions he has
held in the Army.

Sir

My dear Sir

Yours letter of the 10th inst. has been received. I find from the City of Washington, Va. that the Government of Virginia has been for some time employed in the purchase of arms, and is engaged in purchasing powder, and pulling arms. He is a most excellent man, and has rendered most efficient aid. And his place, if he should be required to leave, will be supplied by a man of equal ability, and the position will not be lost. He has not been in service since the war commenced, and when he comes here to work it will be as soon as possible, and he will be most efficient. That he is required to be an interpreter in the war is a position which is probably to be carried out off in a very good way. There is constant work for him, and I must respectfully but earnestly ask that you will exempt or detain him from military duty. As regard

At the instance of Col. A. H. S. I have lately (indd. 8th La. Regt., now ordered) sent orders to the "transmississippi" deptt as Commandant of Reserves in the Dist. of which the Orleans with La. forms a part, I hereby make application for a transfer to his deptt.

This transfer can be the more easily made as the office of Regimental Quartermaster has been abolished in Ayres Brigade and there are ~~no~~ ^{only} two assistants Quartermasters at present in Ayres Brigade including myself. Besides this I am over the prescribed age and have been disabled in service from a shell shot wound received on Saltillo while serving as Captain in the line.

Capt H. Harvey was educated as a business man and by long training is well qualified for the position of Post Commissary whose accounts are necessarily complicated. It would be but an act of justice to assign to such duty a meritorious officer who manifested his public spirit by giving up at the outbreak of the war a lucrative position in civil life and entering the service in the line and also volunteered and how he performed his duty is attested by the fact that he is now a member of the 4th Regt. Office Comd. 4th Regt
 25th July 1863
 Capt. H. Harvey was educated as a business man and by long training is well qualified for the position of Post Commissary whose accounts are necessarily complicated. It would be but an act of justice to assign to such duty a meritorious officer who manifested his public spirit by giving up at the outbreak of the war a lucrative position in civil life and entering the service in the line and also volunteered and how he performed his duty is attested by the fact that he is now a member of the 4th Regt. Richmond Aug 1st 1863

I feel much pleasure in stating that during
my Commission for over twelve months first as
Capt and afterwards as Major with the 1st U^s Regt
I knew Capt Henry Henny well - for nearly nine
months previous to my leaving the Regt Capt Henny
was our Commissary - a more efficient officer or
one more devoted to the discharge of the duties
of his office I never knew. The last time prior
Col Williams was in Richmond - in a private con-
versation with him about the affairs of ^{the} Regt he told
me that he considered Capt Henny one of the
best Commissaries in the service. I am satisfied
that he could if he had applied for them get letters
from officers of the highest position in the Corps
so well and favorably as he knows - it is to be
hoped that the service will not lose an officer
of so much worth.

GEN. POLK'S PAPERS

Cambridge, Mass. Sept. 30th 1861

Maj. Gen. L. Polk
U.S. A.

The bearer, Mr. H. W. Miller, has been acting as Quartermaster of my Battalion under my nomination and the approval of Gen. B. F. Johnston, since the resignation of my former Quartermaster, Lt. E. L. Dillard. His nomination with the proper recommendations has been sent to Richmond for approval, but has not as yet been returned. It is necessary for the proper discharge of his duties at present, that he should be accredited in some shape to the authorities here, to enable him to obtain funds to meet the exigencies of my Battalion.

If it meet your approbation I desire that you may give him an order on Quartermaster General for such amount as may be necessary, and you will ever be obliged

I certify that the facts set forth in Capt J C
Harpers certificate is true. He being absent making
his regular drawing of Supplies at Chiesamanga

the Mountain & before he could return the Brigade

his saving his papers. I issued to Capt Harpers

a train of wagons for the purpose of getting provisions for the
Brigade having Sergt J J Turner in charge of my Commiss-
ary Stores and a valise containing all my Commissary
Papers. Receipts, Invoices, & Issues to Troops from the 1st
October to 25th November 1863. On my return in the even-
ing of the 24th Novr being the day of the Battle on the
Mountain. I found the Brigade had left the Mountain, and
on reporting to Genl. Cumming I was ordered to furnish
Rations to the Brigade without delay this order and having
the Supply Train of Wagons and a lot of Cattle in charge
made it impossible for me to go to the top of the Moun-
tain to look after the valise containing my Commissary
Papers. I therefore sent J. B. Drummond with an order
to Sergt J J Turner to secure my Commissary Papers
but before J B Drummond could reach the
Top of the Mountain orders had been issued to
Evacuate the Mountain and my Papers for October
and from the 1st to 25th November 1863 were unavoid-
ably lost. all Subs Stores Receipts for by me in that
time could have been fully accounted for if my

Explains the delay in re-
 questing his commission as
 1st Brigade Comd.

Respectfully forwarded.
 The within statements made
 by Capt. Harper are in all
 respects correct. He rejoined
 the Regiment promptly after
 the Chickasaw Campaign, and
 has, from a date prior to
 the complete re-organization
 of the Brigade, been performing
 the duties of Act. Comd.
 The 3d Regt. was, and is
 in this Brigade.

I therefore respectfully
 re. solicit his appointment

As returned through
 Gen. J. E. Johnston
 the order for the assign-
 ment of Capt. Harper was
 not made prior to July 31. 1863,
 he went out of Commission
 on that day, as completely
 as if he had never received
 an appointment, and cannot
 be assigned under the order,
 and there is no law to au-
 thorize or warrant an appoint-
 ment. The Department regrets
 that circumstances should
 have thus operated to throw
 Capt. Harper out of commis-
 sion, but in the absence of
 proper authority to make an
 appointment is forced to its
 decision.

March 23rd 1864

A. J. S. Genl.

General

The application of Brig. Genl S. Summing for my Commission as Asst Brig Commissary having been returned to know the state of the order assigning me to this position and for other information.

I have the honor to state that the order in question was issued on 2nd Oct. 1863. No request for my assignment by the War Department was made prior to 31st July 1863. But in explanation of the summing delay in the order and the failure to make the request in due time I beg respectfully to submit the following statement.

The 34th U.S. Regt to which I was attached at the time of the publication of G. O. 70. A. & J. G. O. making void the office of Regimental Commissary was cut off from communication with the rest of the Confederacy and hence the order could not reach us. After the surrender of Vicksburg the 18th Brigade was taken to Enterprise Miss. and there disbanded on the

23rd July 1863. Still having no knowledge that the
Office had been abolished. As soon as I had reported
to the Brigade for duty, after the expiration of the
Hurlough on 2nd October (being prevented by sickness
from doing so earlier). I was notified by Brig Genl
Cummings that I had been selected from the Regiment
-al Commissaries to be continued in office as Asst. to
the 1st Brigade Commissary.

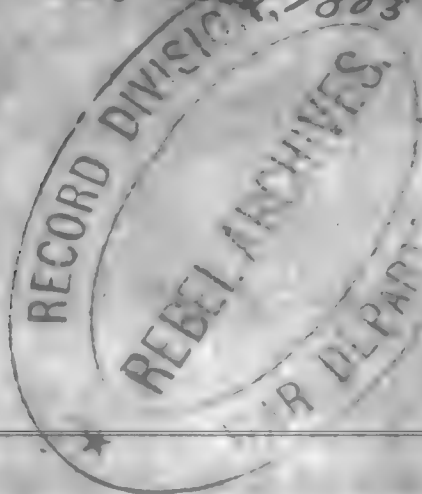

From the above it will be seen that it was impossible
to make application for my assignment prior
to July 31st 1863. and that the date of the order from
Brig. Head Quarters appointing me Assistant
could be no earlier.

I am Gent.
Very respectfully,
Yours &c &c
J. A. Harper.

I have the honor to acknowledge a Summary Statement of Amount for the month of October 1868 also my certificate and the receipt of receipt of J. J. Jones & A. J. My accounts for James H. Jones have been made up and if my paper could have been saved all the receipts for the month could have been made up. C. H. Hopper

I found it well qualified
for the situation. He had
character for the
position. He was properly
qualified.

He came to Bergen
and worked in the 5th
Regt. and moved
with it until the evacua-
tion of Fort Mifflin. When
he was placed on Genl
Mifflin's staff. He was
in the battle of Red Bank
and Seven Days.
After the battle of Red Bank
he was attacked with typhoid
fever and was very low
for weeks and was therefore
not in the battle of Mifflin
and Red Bank.

He applied for a
commission.

asking it. He has refused
to enter the service.

I am satisfied that
he is not able to stand
the service as he is
threatened with con-
sumption which is hereditary
in his family.

He is a brother in
law of mine - and
this is the only applica-
tion I have made for
a single connection
of mine for appoint-
ment in the Army and
there are over twenty of
them in the service.

I am, Sir, Very Respectfully,
Yours, etc. J. C. Cooper
S. H. Harper.

This is to certify that I have carefully examined the report of Dr. J. C. Cooper, Capt. Surgeon of the 24th Mich. Regt., & find that he is afflicted with Chronic Diarrhea, he has been suffering from it for near twelve months & during the last six months he has been absent from duty not more than two months, from the character of his discharges, & from the fact that his bowels are considerably ulcerated, he is at this time entirely unfit for duty, & I regard his recovery as both distant & uncertain.

Surgeon 24th Mich. Regt.

Recd. June 27, 1863

Thos. June 26/63

To the Hon. Chamber of Deputies

Richard Sie

I am & hereby tender
to you my resignation of the Chaplaincy I hold
in the Army by your authority. I was appointed
by you Chaplain of the Post at S. King Miss-on
the 2^d of July last. My reasons for resigning
to you my resignation are the following. I am now
cut off from my post at S. King and have no
definite work assigned me in the army.
Each of them should remain in our possession
There will not be more work than the Chaplain
of the post that can attend to. As the garrison
left - there is no army it detailed will be
small. Lastly, and chief reason my own
Church has provided a Miss. Chaplaincy for each
army Corps to be supported by the Quaker Bishops.
I have just tendered me the appointment as
the Corps of this department. In this relation to the
army I can be really more useful. For these rea-
sons I have not hesitated to believe not that my resi-
gation would meet with your approval. Please let me
hear from you at this place. I am your obedient servant
